**Any Other Business which requires urgent attention:**

A letter was read from Oakford's Community Group asking for our approval to put up signs on the name of the village signs to notify salesmen that the villagers were not to receive any cold callers.

The committee approved of this notion but couldn't give permission because the village signs belonged to the Highways Department.

Cllr. Ruby Williams noted that the trees in the layby in Ffosyffin were too low over the road and dangerous for motorists and that there was a pothole in the road outside New Foundry, Bro Ddewi. The clerk was asked to report to the Highways Department.

The meeting finished at 8.35.

The next meeting will be on 6<sup>th</sup> of November.
