Any Other Business which requires urgent attention:

The clerk mentioned that she had received an email on behalf of the community of Oakford asking if we could consider placing an additional street light in the village by the new houses built on the Neuadd-lwyd road. Our County Councillor Marc Davies said that he was going to get in touch with the relevant department in Ceredigion County Council to see what could be done.

A letter was received from an Henfynyw resident asking for the bus stop that is located near Henfynyw Parish Church to be moved to the lay-by across the road. This would make it safer for passengers because the majority are children, older people and wheelchair users. The clerk was asked to write to the resident explaining that the matter was investigated and that we would give our full support.

Also, we were informed that our insurance was due on the 01/06/22 and the clerk was asked for another quote.

The meeting finished at 8.30.

The next meeting will be held on Wednesday 11th of May.
